After five decades in Western Hills, Rodem Inc. is excited to open our new headquarters located in Harrison, Ohio. Built with growth, efficiency, and customer success in mind, our brand new space offers:

### INNOVATION.

A state-of-the-art Fabrication Shop for self-contained skidded system solutions that give food, beverage, and other sanitary processors flexibility and simple integration.

### EFFICIENCY.

An expanded warehouse and inventory to enable same-day shipping to keep America's processors up and running.

### COLLABORATION.

Collaborative workspaces and community areas to support ongoing education, continuous development, and work-life balance for our employees.
